

First-Time Ever: Advertise in the BMUSF 2018 Seminar Roster

Promote your products and services to a network of more than 300 marine underwriters, insurance agents, adjustors, surveyors, attorneys, and other movers and shakers in the U.S. and abroad. The BMUSF biennial roster is saved and referred to long after the seminar ends.

Advertising is easy!

Send us your company logo (in b&w or full-color, JPEG preferred), an up-to 100-word company description, and contact information (phone number, email address, and URL). We'll do the rest. We will set the type and print and distribute the roster to seminar attendees.

BONUS We will also include your company logo on the scrolling PowerPoint that will loop before each of the sessions.

Contact information for **seminar attendees** will continue to appear in alphabetical order at no extra charge. The all-new directory complements individual listings and **ensures corporate staying power for the next two years.**

The per-listing cost: Just \$95.

The deadline for advertising is April 2, 2018. For more information or to reserve a spot call Karen Dunn at 703/254-9495 or e-mail kdmeetings@aol.com
